SPONSOR A STUDENT IN ISHIARA

The Ishiara team is seeking sponsors to help secondary school-aged children who cannot afford to continue their education beyond the state-provided free primary level. For just €600 a year, you can make a significant difference in a child's life. The goal is to find sponsors for three to four new students each year for the foreseeable future; the Ishiara team is already sponsoring 3 students in this, the first year of the programme. The new school year in Kenya starts in January 2025; it is therefore important that new sponsors are found by early-mid November to enable Fr. Henry in Ishiara to select the relevant students and to put their sponsorship in place. Your support will provide these young individuals with opportunities they otherwise would not have. Join us in this important mission to uplift and educate. For more details or to become a sponsor, please contact our parish office at 051-348077 or email parishofficejbm@gmail.com.
