PARISH AWARDED ECO CONGREGATION IRELAND AWARD!

We are delighted to share the wonderful news that our parish has been awarded the Eco Congregation Ireland Award! This national award recognises churches that show outstanding care for God's creation through prayer, reflection, and action. Our parish has worked together over the past two years to raise environmental awareness, promote biodiversity, reduce waste, and build a more sustainable community. This award is a testament to the efforts of so many parishioners who have supported our eco initiatives in both big and small ways. The presentation of the award will take place during the upcoming Season of Creation. More details will follow in due time. We give thanks for this recognition and for the continued inspiration of the Holy Spirit in our shared care of creation.

BIODIVERSITY WALK: Tuesday 15th July at 7 pm. Join Brian Jacob and Denis Kennedy for a walk & talk exploring the Brian Boru Heritage Oak Tree, the Native Woodland Trail, and the Two Pocket Forests planted by local school pupils using the Ogham Tree Calendar. Meeting point: Greenway Car Park, SETU Carriganore Campus (X91 XD96). All welcome.
